10. LIBRARY

About The Central Library

The Central Library of the RVS College of Engineering Technology was established along with the genesis of the College in the year 2007. The Central Library is functioning in Two Floor with the total area of 632.41 Sq.m. with a seating capacity of 200 students at a time. With the Management Contribution and the special interest of our beloved Chairman and Managing Trustee, the collection of the library is being increased steadily. Web based Autolib Library Management Software using JAVA Technology.

The institution Central library has Twenty highly configured systems are available. The following Library activities are fully automated by using the web based AutoLib LibraryManagement software Using Java Technologies are
