

RVS COLLEGE OF ENGINEERING AND TECHNOLOGY

Kumaran Kottam Campus, Kannampalayam Post, Coimbatore 641402
(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai)

Annual Report 2020-21

RVS College of Engineering and Technology under the Chairmanship of Dr. K.V. Kupusamy, who has the charisma of a visionary leader in Education, started with a holistic vision and mission in the year 2007 with 4 UG courses and intake of 240 students has now 5 UG courses and 4 PG courses and an intake of 368 students today.

To promote systematic quality in all spheres of college activities ISO 9001:2008 is in practice. The improved and upgraded version of this quality system ISO 21001:2008 will be brought to practice from the next academic year for the betterment of the functioning of the Institution.

The institution is accredited by NAAC and Institution has a plan for NAAC reassessment this year to focus in reaching the autonomous status in the near future.

RVSCET is one of the best authorized Remote Centers of IIT – Mumbai and Karaghpur under the Ministry of Human Resource and Development.

RVSCET is a member of PALS – This is an initiative from IIT Madras, through this forum students of RVS CET have been connected with eminent professors in IIT and leading industry for research-oriented learning.

Based on the performance, IIT Mumbai has upgraded the status of the Resource center RVSCET to Super Resource center.

A good number of 293 out of 297 students passed in the final year examination conducted by Anna University in which CSE topped with perfect 100% result in Undergraduate.

Majority of the eligible students have been placed in reputed companies like TCS, INFOSYS, CTS, NINELEAPS, ARGUSOFT, TESSOLVE SEMICONDUCTORS, RDCCONCR ETE, SPIC, MANALICHEMICALS, CITYUNIONBANK, AXISBANK and soon.

The faculty members, apart from their regular teaching assignments and participation in various conferences and seminars initiate National, International Conferences, Workshops and Symposia. Two faculty members from EEE department have completed their Ph.D and awarded from Anna University.

Various students' chapters to provide wider industry exposure to students. Note worthy of these are,

- PALSworkgroup.
- IEEE Students Chapter
- ISTE Faculty Chapter
- Chapter of Computer Society of India
- Indian Institute of Foundry Men
- Society of Automotive Engineers
- Indian Institute of Production Engineers

Continuing its efforts to enhance Industry – Institute Interface, RVS Group has signed MoU's with Texas Instruments, ICTACT, Madras School of Social Work, RAANA Power solutions and soon.

RVSCET is a registered member of the National Cyber Safety and Security Research Centre which curtails the notorious spreading cyber threats from various directions. It is carrying out extensive awareness, training and education campaigns in the field of National Security, Web Application Security, Networking Security, Mobile Security, Cyber Forensics and Social Engineering.

The institute encourages students to take part in Paper Publication, In-plant Training, Internship, Industry Project and Industrial Visit which inculcates career development and overall progression. While reviewing these accomplishments, the Institution becoming strong day by day, and gradually moving forward, generating positive momentum and energy.

Students are better prepared by infusing practical knowledge through laboratories and investment for this purpose will help the Institution to prepare the students better for jobs and face the real world.

Library is the pool of knowledge where funding will bring knowledge resource in one place. Our Central Library has been enriched with books, print journals and e-journals of National and International with the budgetary support to the tune of **Rs. 9.74 lakhs from the management during this academic year.**

The internet bandwidth has been upgraded to 75 Mbps and the centralized computer centre has been equipped with 952 computers.

Cyber Security laboratory is a state-of-the art dedicated space in which students can safely engage in cyber related activities, including malware detection and deactivation and penetration testing, in a contained and controlled environment without possible impact to other campus networks.

For the academic year 2020-2021, the institution bagged with 3 rank holders in department of PCE from Anna University.

This year in physical education our students excelled in 11 events, organized by Anna University, Sports Board – Chennai

The NSS unit of the college is involving in social activities such as the Tree plantation Independence Day celebration (Tree plantation), Contribution of saplings at free of cost, Training for NMMS Test (Govt School,Sulur), Temple cleaning, Republic day celebration at Village Govt School, Contribution to Indian association for blind.

Preliminary Energy-Environmental-campus-Greenery-Audit was conducted during this academic year and found to be considerable amount of carbon reduction due to the presence of 1635 trees in the campus and alternative energy sources Solar power plants. LPG saved due to the use of Biogas prepared from the food and organic wastes in the campus.

Every year, our beloved Chairman Dr. V. Kupusamy come forward to offer Institutional scholarships to the deserving students and this year **79 students have benefitted**, and we owe gratitude to our beloved chairman for his magnanimity.
