

RVS COLLEGE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)

NAAC Accredited and ISO 21001:2018 certified Institution,
Kumaran Kottam Campus, Kannampalayam (Po), Coimbatore – 641 402

VISION AND MISSION OF THE INSTITUTION

VISION

RVS College of Engineering and Technology, Coimbatore, will strive to be an Institution of National Importance and committed to work towards societal and economic empowerment of the nation through the development of Engineers with technical and managerial skills.

MISSION

- Develop and support faculty who are potential scholars and effective educators
- Become a center of Excellence for engineering education and research with excellent infrastructure and well-qualified faculty
- Enhance competitiveness of the students for economic and social developments.
- Empower the students with newer and newer skills through various training programmes to face the growing challenges of the industry.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

VISION

The department of Computer Science and Engineering desires to become a prominent centre of excellence for producing proficient IT professionals and Intellectuals for providing software and Effective Social Solutions.

MISSION

Computer Science and Engineering Department provides secure, reliable and integrated technology solutions in alignment with academic and administrative goals, while delivering excellence in customer service.

In support of this mission, we will:

- Collaborate with the university community to understand needs of Information Technology among faculty, staff and students.
- Provide leadership and planning for the effective and strategic use of emerging technologies.
- Inculcate professional behaviour, a spirit of entrepreneurship and commitment to the progress of the nation.
- Accommodate evolving software development tools and required implementation facilities.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

VISION

The Department of ECE is to make technically competent, innovative, commendable graduates focusing on the needs of industry and society with professional ethics to excel in the global competitive engineering field.

MISSION

The Department of ECE strives to

- Excel in academic delivery by providing in-depth knowledge of principles and its applications.
- Encourage extra-curricular activities along with good communication skills.
- Provide facilities in arena of Research and development.
- Execute community reach-out and real-life industrial projects.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

VISION

To promote learning and innovation in the field of Electrical and Electronics Engineering to meet the global challenges.

MISSION

- To serve the society through excellence in education, research and public service.
- Facilitating industry institution interaction in teaching, learning, consultancy and research activities to accomplish the technological needs of the society.
- Encourage our students to improve their attitudes and values that will prepare them for professionalism, life-long learning, entrepreneur practices and ethical values.
- Providing additional skills and training to meet the current needs of the industry.
- Motivating the students for active participation in co-curricular and extracurricular activities.

DEPARTMENT OF MECHANICAL ENGINEERING

VISION

Be a globally renowned school of engineering in mechanical sciences

MISSION

- Develop ethical and competent engineers by synergizing world class teaching, learning and research.
- Establish state of art laboratories and to provide consultancy services to fulfill the expectations of industry and needs of the society
- Inculcate entrepreneurial qualities for creating, developing and managing global engineering ventures.
- Motivate the students to pursue higher studies and research

DEPARTMENT OF PETROCHEMICAL ENGINEERING

VISION

To be a centre of excellence in the field of Petrochemical Engineering thereby importing high quality technical education and multi-disciplinary research to provide dynamics and socially responsible engineers work towards the transformation of the quality of life of common Indian citizen.

MISSION

- To achieve academic excellence in the field of Petrochemical Engineering and Technology through innovative in teaching, dedication to duty and faith in human lives.
- To produce globally competent professional Petrochemical Engineers.
- To foster engineering knowledge through research and innovation.
- To produce professionally skilled and socially effective petrochemical engineering graduates with effective communication, skills, team working skills, professional ethics and leadership qualities for effective discharge of their duty as successful professionals to the society.

Date: 15.12.2022

The 15th Governing council meeting which was held on 15.12.2022 at 3:30 pm in the conference hall (Room No. 104) of RVS College of Engineering and Technology under the Advisor to honourable chairman & Principal with the members of Governing council to discuss about the action taken report of the 14th governing council meeting and status of Annual Action Plan for the Year 2022-23.

MEMBERS PRESENT

S.No.	Name	Present Position	Nomination /Position
1	Dr. K. V. Kupusamy	Chairman, RVS Educational Trust	Chairman
2	Dr. B. K. Bhadri	Advisor – Honorable Chairman	Management Representative
3	Dr. P. Vijayan	Principal (Former) GCE - Bargur.	Member(Academics)
4	Dr.G. Chandramohan	Principal PSG iTech & Applied Research	Member(Academics)
5	Er.V. Marappan	Managing Director MN Polyester India PVT LTD	Member(Industry)
6	Shri Mohanraj Ramasamy	Founder, CEO Srivaru Motors PVT LTD	Member(Industry)
7	Dr. K. M. Karuppannan	Dean, R & D, RVS College of Engineering & Technology	Member
8	Dr.D.Jayakumari	Prof & Head Department of ECE RVS College of Engineering and Technology	Faculty Member
9	Dr.K. Karuppusamy	Vice-Principal RVS College of Engineering and Technology	Member
10	Dr.P.Rajendran	Principal, RVSCET	Member-Secretary

RVS COLLEGE OF ENGINEERING AND TECHNOLOGY

KumaranKottam Campus, Kannampalayam (Po), Coimbatore – 641 402
(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)
NAAC Accredited and ISO 21001:2018 certified Institution,

AGENDA:

- 1 Welcome Address by the Principal
- 2 Introduction of Governing Council Members
- 3 Presentation of the activities and achievements of the institution in the previous academic year.
- 4 (i) Milestone
(ii) Student and Faculty Strength
(iii) Teaching Learning Process
(iv) Research and Development
(v) ISR Activities
(vi) Learning Resource – Library
(vii) IQAC
(viii) Quality Enhancement
(ix) Placement and Training
(x) Faculty Consultancy Work
(xi) Newsletter
(xii) Achievements
5. Budget Approval for the Academic Year 2022-23.
6. Faculty recruitment for the Academic year 2022-23
7. Proposed activities for the forthcoming year – future plan.
8. Any other
9. Vote of Thanks.

RESOLUTION:

- The Governing Council Meeting was preceded by Dr. P. Rajendran, Principal of RVS College of Engineering and Technology.

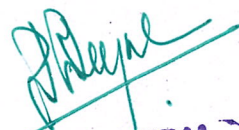

RVS COLLEGE OF ENGINEERING AND TECHNOLOGY

KumaranKottam Campus, Kannampalayam (Po), Coimbatore – 641 402
(Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai)
NAAC Accredited and ISO 21001:2018 certified Institution,

- The Principal welcomed the Governing council members for the 15th Governing council meeting and briefed about the members present.
- The Principal gave away a Presentation with respect to the academic performance of the Institution and achievement of the academic year 2021-22.
- The approval of the 14th governing council meeting held on 30.07.2021 was resolved by the members of governing council.
- The council members reviewed the academic activities of the institution and gave suggestion for enhancement in the teaching learning process, research and development, ISR activities.
- The council members had a brief discussion in improving the facilities of the learning resources (library).
- The placement and training records of the previous year was reviewed and council member suggested in focusing towards more reputed companies for on-campus drive.
- The consultancy work of the faculty members were reviewed by the council members. The further improvement related to consultant work were shared by the council members.
- For enhancing the quality of the academic work, the council members initiated to add more interdisciplinary related research work, organize more technical events.
- The Governing Council approved the budget and expenditure in 2021-22 and proposal for the year 2022-23.
- Review and approved the IQAC and Academic Council Meetings conducted during the year 2021-22.
- The approval was given for recruiting new faculties for the vacancy position.
- The council members reviewed the activities proposed by the college for the academic year 2022-23 and got approved.

14th Governing Council Meeting – Action Taken Report

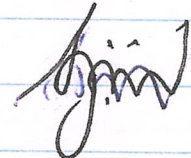

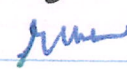

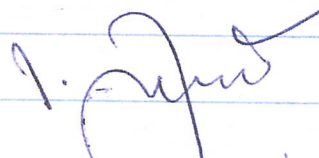

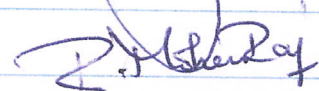

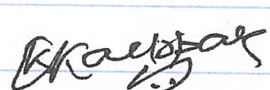

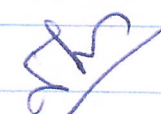

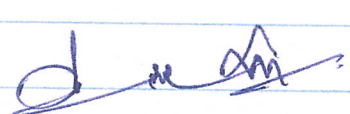

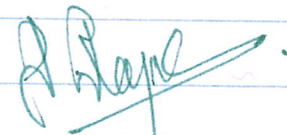

S.No	Plan of Action	Action Taken
1	submission of SSR and the status of SSR	SSR was submitted and got approved
2	DVV clarification process of NAAC second cycle	The DVV clarification process of NAAC second cycle was processed and got approved
3	Department activities during the pandemic period	Each department conducted more than four online webinars, guest lectures during the pandemic period
4	Conduct of offline class and also discuss about the online class in case of students absence to the regular class.	Approval for conducting offline classes and online classes
5	Affiliation approval for AICTE & Anna University the academic year 2021-22.	The institution got extension of approval from AICTE & Anna University affiliation for the academic year (2021-22)
6	Academic activities for the academic year (2021-22)	Totally of academic activities for the academic year (2021-22)
7	Academic and administrative budget for the academic year (2021-22)	The budget for the academic year (2021-22) was got approved
8	Anna University exam results of both Odd and Even semester of the academic year (2021-22)	The feedback based on the curriculum were collected from students, teachers ,alumni, employers and the respective action was taken.
9	Webinars attended by the faculty members and organized for the students.	14 webinars was organized by the departments and 66 faculty member attended various online program such as FDP, Webinars etc.
10	NAAC Process	Went for appeal and received B++ Grade

12th Academic Council Meeting –Action Taken Report

S.No	Plan of Action	Action Taken
1	Discussion on curriculum and syllabi ,Course outcome, Program outcome and Program specific outcome under the new regulation 2021	Discussed about the new courses in this regulation and derived the course outcome, Program outcome, Program Specific outcome and displayed them in appropriate places.
2	Discussion on Bridge courses for required subjects	Bridge course conducted for English, Mathematics, Physics, Computer Science and chemistry.
3	Innovative teaching methodologies	You tube videos, animated video, video lectures are shown and which are mentioned in lesson plan. And the same is disseminated to student groups.
4	Enrichment of curriculum	Curriculum can be enhanced by conducting seminars, workshops, value added courses, guest lectures and taught content beyond syllabus.
5	SWAYAM-NPTEL Courses	Faculty members and students registered and completed NPTEL courses and other MOOCs to enrich their knowledge.
6	Application of project proposals to Government Agencies	Faculty members and students are motivated to apply project proposals and got selected from CSIR,TNSCST etc.
7	MoUs with Industries	MOUs are signed with Leading industries and collaborated activities like Internship, Industrial visit and projects are done for students.
8	Placement	Around 73% of students got selected in reputed companies in 2021-22
9	Open elective	Students are encouraged to take open electives like Renewable Energy sources and Environmental impact assessment.

DEPARTMENT ADVISORY BOARD

Date: 06.12.2022

MINUTES OF DEPARTMENT ADVISORY BOARD MEETING

Following are the few recommendations made by the advisory board in promoting and implementing in our department developments

- To strengthen and support the college faculty to implement innovative techniques in teaching in Value added course for students benefits.
- To discuss and plan about the college curriculum syllabi for the students
- To encourage students to participate in extra curricular and co curricular activities
- To insist faculty members to organize seminars/FDP/workshops in our college
- To insist faculty members to publish journals /books for the academic year
- Special coaching class are conducted in order to improve communication skills for the students

11	Member-Community Service Cell	Kannan / II CSE
12	Member-Anti-ragging Committee	Mr.S.M.Kavin / IV EEE
13	Member-R & D Committee	Naveen Kumar / IV EEE
14	Member - Cultural	Sanjana Raman / IV ECE
15	Member - Sports	Ebin Dos / III PCE

STUDENT COUNCIL REGULATIONS

Objective:

Objectives of the council shall be to serve the student community in following ways:

- To develop and provide opportunities for leadership and service in the institution as well as in the community.
- To foster fellow feeling and disciplined way of life among the students of the institution.
- To promote intellectual and cultural life awareness, mental and physical health and building of character.
- To maintain peaceful & uninterrupted activities of the institution.
- To encourage students to participate in various Academics, Curricular, Co & Extra Curricular Activities of the Institution.
- To work for equality, secularism & socio-economic progress.
- To cooperate in making the educational system more responsive to the students of the institution.
- To undertake any activity that may be deemed beneficial for enriching the overall life of the students in the institution.

Role of the Student Council:

- To officially represent all the students in the institute.
- To identify & help solve problems encountered by students in the institute.
- To be the liaison between institute administration and the students on any subject that concerns student and on which the council wishes to be consulted.
- To promote and encourage the involvement of student in organizing institute activities.

Responsibilities of the Student Council:

- To promote the interests of students among the Institute administration, staff and parents.
- To inform students about any subject that concerns them
- To identify and help solve problems encountered by students in the institute.

- To consult students on any issue of importance.
- To organize educational and recreational activities for students.
- To participate in developing the institute's educational projects and to promote it to students
- To organize an activity to recognize the efforts of students involved in organizing institute activities.

Constitution:

- The Student Council shall be apex for student affairs and shall function under the Principal and Chairmanship of the Director, Internal Quality Assurance Cell (IQAC).
- The institute Student Council shall have a Standing Committee. The Standing Committee shall be selected by the norms.
- The institute Student Council shall constitute an associated Subcommittee of the Standing Committee to plan & oversee specific Council activities.

Standing Committees:

The Student Council shall create and administer various committees with the purpose of the objectives of the Student Council. The Standing Committees and constituent are as follows.

- Academic Council committee
- Sports committee
- Cultural committee
- Community Engagement committee
- Women Empowerment cell
- Health and Hygiene committee
- R& D Committee
- Anti-ragging Committee

Mode of selection:

Principal of the institution assign members of the Student Council in the manner prescribed.

- 15 students shall be nominated for the Student Council in the prescribed manner.
- 3 students from each Department shall be nominated by the Head of the Department, based on the academic and extracurricular activities.
- The Principal of the institution interact with the nominated candidates and assign the representative bodies of the Student Council.
- The following shall be representative bodies of the institution Student Council

- President
- Vice President
- Secretary
- Program Representatives of Standing Committee

The role of the representatives of Student Bodies

President: The President shall have the general responsibility for the coordinating the activities of the Student Council and for directing and overseeing the response to the affairs of the student body.

- To act as official spokesperson for the council in its relation with the students and the institute administration.
- Lead all meetings.
- Act as a facilitator during discussion.
- Maintain frequent contact with faculty and administration.
- Work with advisor on all planning.
- To represent the students on official occasions.
- To supervise the tasks of the council members.

Vice President:

The Vice-President steps in when the President is unavailable to preside over meetings or to meet with other students or faculty.

- Work closely with President.
- Assume President's duties when needed.
- Assist the President in preparing meeting agendas
- Participate in Student Council sponsored activities/events..

Secretary:

The Secretary shall be responsible for recording the minutes and acting as official time keeper of all Student Council meetings.

- Keep student body informed of events, fund-raisers, and service projects.
- Responsible for gathering student feedback outside of the Council.
- Help maintain Student Council files.
- Report to Announcements Team events and meeting information.

Program Representatives:

Each Program Representative shall serve as the direct link between their respective Standing Committee and the Student Council.

- Responsible for hosting at least one meeting per semester.
- Shall organize at least one social, educational or career-related event per semester.
- Shall host monthly official hours for their constituent base to field concerns or suggestions.
