2. The development and implementation of specific activities developed under this MoU will be the subject of formal written agreements negotiated and entered into separately, which will deal with and detail the financial arrangements, roles and responsibility of Parties, confidentiality, ownership and use of intellectual property, publication of articles or other work and other relevant matters.
3. This MOU does not necessarily anticipate any present exchange of monies between Parties or guarantee specific funding. Specific activities and programs implemented

Principal

RVS College of Engineering & Technology
Coimbatore - 641 402

under authority of this MOU shall be subject to availability of funds and the approval of each institution's authorized representatives.

4. Except as otherwise provided or agreed, the Parties shall each bear their own costs and expenses incurred in complying with their obligations under this MoU.
5. Both Parties shall remain liable for any losses or liabilities incurred due to their own or their employee's actions and neither Party intends that the other Party shall be liable for any loss it suffers as a result of this MoU.

Term and Termination

6. This MOU commences on the date that it is signed by both Parties and remains in effect for two (2) years unless terminated by either Party by the written notice, or by mutual agreement of both Parties.

Either party may terminate this MOU by providing 60 days advance written notice to the other party. A joint evaluation of the MOU will be initiated by the designated representatives six (6) months prior to the expiration date. Following the evaluation, the MOU may be renewed and resigned for an additional two (2) year period. Any activities in progress at the time of termination shall be permitted to conclude as planned unless otherwise agreed in writing.

7. If notice of termination has been given under this clause, the parties shall:
 - (a) agree in writing a mechanism for ensuring that students registered for any Programme under this MOU are able to complete it; and
 - (b) Cease to promote or market the programmes and not register any new students.

Relationship

8. Nothing in this MOU shall deem the Parties as joint venturers, partners, or agents for each other, now or in the future, and neither Party can bind the other in any way.
9. Nothing contained in this MOU shall be construed to create an exclusive relationship between the Parties.

Status

10. With exception to clauses dealing with confidentiality and intellectual property, which shall be binding on the Parties, the Parties agree that this MOU does not create a legally binding obligation on either Party but, rather, is intended to facilitate discussions regarding general areas of collaboration.
11. Notwithstanding the non-binding nature of this MOU, each of the Parties acknowledges

Principal
RVS College of Engineering & Technology
Coimbatore - 641 402

that it is into this MOU in good faith and with a high level of commitment towards finding areas of Collaboration and concluding the contractual arrangements necessary to cover the work carried out pursuant to the Collaboration.

Confidentiality

12. Both Parties will keep secure and confidential, and will not use, or permit to be used, any Confidential Information, except to the extent that:
- the Confidential Information was lawfully in the receiving Party's possession before being disclosed to it by the disclosing Party; or
 - the Confidential Information lawfully enters the public domain; or
 - the Party to whom the Confidential Information relates, consents in writing to its disclosure; or
 - the information in question was independently developed by the receiving Party without reference to the Confidential Information received from the disclosing Party; or
 - the information was received in good faith from a third party, where no obligation of confidentiality is owed to the third party; or
 - disclosure is required by law in any country, in which case the receiving Party will promptly notify the disclosing Party so as to allow the disclosing Party a reasonable time to oppose such process; or
13. Both Parties must ensure that their respective agents or employees who receive, or may receive, Confidential Information are aware of, and are bound by, these confidentiality provisions.
14. These confidentiality provisions are in addition to, and do not detract from, any duties of confidentiality imposed on either Party by law, equity or contract.

Intellectual property

15. The Parties acknowledge that nothing in this MOU shall be construed as granting either Party any rights in the Intellectual Property and all associated goodwill of the other.
16. In the absence of any written agreement to the contrary, Intellectual Property developed by the Parties during the course of the Collaboration, shall remain the sole property of the Party which developed that Intellectual Property.

Use of Name

17. The Parties agree not to use each others names in advertising or other form of publicity without prior written consent of that Party. However, the Parties agree in advance that each may use the name of the other in announcing this MOU.

Principal
RVS College of Engineering & Technology
Coimbatore - 641 402

No assignment

18. This MOU is personal to the Parties and cannot be assigned, transferred or traded with in any way, without the prior written consent of the other Party. Either Party can give, or withhold its consent at its own discretion. Any material change in the effective control of a Party is an assignment for the purposes of this clause.

Notice

19. All notices and documents required to be delivered or served by one party to this Agreement on the other may be delivered or served by delivering or sending them by pre-paid post, facsimile transmission or pre-paid courier, receipt acknowledged to the address of both Parties stated above or the last known address.

Entire agreement

20. This MOU, including any attachments, schedules incorporated by reference constitutes part of the entire agreement between the Parties relating to the matters contained herein. There are no oral or written agreements, representations, understandings or commitments of any kind, express or implied, not expressly set out in this MOU.

No waiver

21. Any failure by either Party to enforce any of the provisions of this MOU, shall not constitute a waiver of any rights to future enforcement.

Variation

22. Variations, waivers and modifications of this MOU shall only be valid if in writing and signed by, or on behalf of, both Parties.

Authorized Signatories

23. Each party represents that the individuals signing this MOU have the authority to sign on its behalf in the capacity indicated.
