PLACEMENT REPORT 2020-2021

Counseling Code: 2731

About The College

RVSCET approved by AICTE and affiliated to the Anna University, Chennai is marching towards a new era in education was established in the year 2007 by our Chairman Dr. K. V. KUPUSAMY, and the college has attained the role of "Holistic Education" right from the start. The college is located 14 kms away from the cotton city of Coimbatore, spread over a sprawling campus area of 200 acres bordered by the serene beauty of Southern India. RVS is well connected by buses moving to various places in propinquity.

RVS is attaining eminence as the favorite target for Engineering Education, for its immaculate infrastructure, outfitted with the best of facilities over a rambling campus area.

Message from the Chairman

Is a shining example to show how one could rise from a humble beginning to the level of a chairman, presiding over an empire of educational institutions, by the virtues of hard work, dedication and devotion to a committed cause. Known for his magnanimity, spiritual bent of mind and suave cool demeanor, he is widely recognized and respected. . To him, the panacea for the maladies of mankind lies in Education, Healthcare and farming.

Awards & Achievements

Doctor of Philosophy in Education - Dianora University, Italy, 1993. Glory of India - International friendship society of India, 1994.

Education

He has proved and distinguished himself as a great visionary and an able administrator. He has carved out a niche in the Educational arena by establishing about 45 reputed educational institutions dotted all over Tamilnadu.

Agriculture

His insatiable interest for agriculture has resulted in the formation of exuberant agricultural farms at Tenkasi, Thadankulam, Thanjavur, Sempatti and Sengathurai.

Healthcare

His soft corner for healthcare is reflected by the RVS Allopathic, Ayurveda, Homeopathy and Siddha Hospitals in addition to the respective educational institutions.

RVSCET- DEPARTMENT OF TRAINING AND PLACEMENT

Vision

The vision of placement cell is to increase the employability skills of our students at institutional and industrial level; to furnish our students with relevant and conceptualized professional skills and guiding them towards the bright future and career all around the globe with values of genuineness, hard work and justice.

Mission

1. Placement cell arranges and coordinates various programmes that aim at molding the students. So as to meet the industry expectations in career building.
2. The cell endeavors to carry out successfully all the processes methodically throughout the year.
3. The training and placement cell guided by a set of rules and principles, strives to maintain good relationships with industries.
4. The responsibility of the placement cell is to prepare the requirement schedule for the year, inviting corporations for pre-placement talks on the campus followed by final placements and overseeing the process to its end.

FUNCTIONS OF DEPARTMENT OF TRAINING AND PLACEMENT

Placements form an integral part of RVSCET. At RVSCET we ensure better placements for all by constituting a dedicated placement committee comprising of faculty and students selected after a transparent and impartial process. The College has a separate Training and Placement Cell. The Placement Committee consisting of one faculty representing each department decides the guidelines for the placement activity.

Guest Lectures and Training Programmes are arranged for the students. We always endeavor to build such capabilities among the students in a systematic manner. The training and placement division has a focused approach to prepare students right from the second year of joining the college. We address two different aspects of students' capability. Experienced teaching staff takes care of the technological abilities to recall knowledge gained during academics for application at work place and secondly the soft skills required which play an important role in the industry today. We also have facilities within college premises for conducting campus interviews and these include those for presentation, conducting aptitude tests, group discussions and interview techniques. Sessions are also arranged on Resume Writing.

Training and Placement division aims at specifically developing these abilities through planned training for the students. The institute looks forward to conducting such activities with the help of selected internal and external faculties. This training includes personality development, communication skills, and extensive exercises to inculcate analytical abilities empowering students to interpret data faster.

Scope

The committee aims to accomplish the following every academic year:

- Preparation of an attractive and comprehensive Placement Brochure
- Organizing Pre-Placement Seminars by Companies
- Getting the Pre-Placement Job Announcement Form (declaration) filled in by the representatives of each visiting company
- Maintaining Database of Companies and establishing strategic links for campus recruitments
- Gathering information about Job fairs and all relevant recruitment advertisements
- Coordinating with companies to learn about their recruitment procedures
- Identifying the needs and expectations of the companies to assist them in recruiting the most suitable candidates
- Organizing pre-placement training for students (Soft Skills, Technical sessions, Mock Interviews)
- Collecting feedback from employers where our students are placed
