Report on

Interpersonal skills in corporate environment

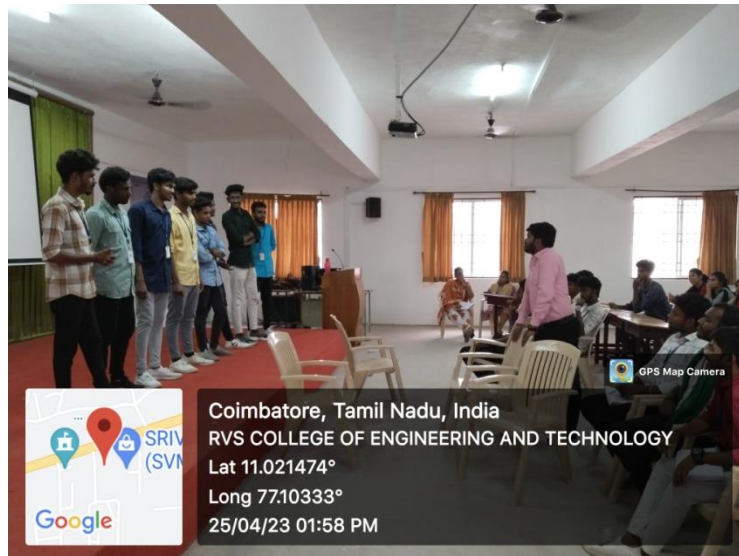

Interpersonal skills in corporate environment program were started by Mr. Robinson Joshep from IBM Testing Engineer, Bangalore. He would define "What are the interpersonal skills?" likewise, "Why Are Interpersonal Skills Important in the Workplace?"

Robinson Joshep conversation with third year students on 25.08.2022

The nine categories of interpersonal abilities were described by Robinson Joshep.

Communication is the first skill, followed by conflict management, empathy, leadership, listening, negotiation, a positive attitude, teamwork, and body language.

Robinson Joshep interacted with students on 25.04.2023

OUTCOME:

The students able to

- Communicate and collaborate well with others.
- Gain a positive mindset to setbacks and conflict.
- Effective cooperation within a corporate setting.

This session was very useful for third year students to face the various recruitment process and 47 students are benefited by this program.
