WORLD TIGER DAY & TREKKING

Name of the Event	: World Tiger day and trekking
Date	: 01.07.2022
Place of Event	: Aanamalai Tiger reserve forest
No. of Students Participated	: 34

Staff and students of RVS COLLEGE OF ENGINEERING AND TECHNOLOGY visited AANAMALAI TIGER RESERVE FOREST as our NSS start up camp on 1st July, 2022. There the students had a great experience learning about the lifestyle of the tribal people living there in Aanamalai hills. Then we planned for a Trekking to Top slip, a reserve forest. The forest officials and workers who took care of us in the forest and gave us some good tips about negotiating wild animals during our trekking. It was indeed a very useful one to the students. The forest higher authorities and staff trained us to go inside the deep forest. Some of the officials accompanied us during our trekking. A meeting was conducted by the reserve forest team who spoke on the importance of conserving forest and protecting animals. We were told about the WORLD TIGER DAY which would be celebrated on 29th of July. They described the beauty and happiness of working in the nature. They also brought awareness of varieties of animals and their behavior to be well understood by the human beings. The boys and girls had a recreation by playing different games. On the whole it was a very useful and knowledge-gaining trip. The students thanked our Principle and the faculty for giving this wonderful opportunity to experience life in and around forest and in fact it was very memorable.

PRE INDEPENDENCE DAY CELEBRATION

Name of the Event	: Pre Independence day celebrations
Date	: 13.08.2022
Place of Event	: Sulur
No. of Students Participated	: 424

PRE INDEPENDENCE DAY CELEBRATION RALLY

The NSS team of RVSCET conducted pre Independence Day celebration on 13.08.2022. Students were asked to assemble in front of the corridor at 9.00 am and they were given instruction to be carried out for the rally. Dr P Rajendran, Principal of RVSCET motivated the students before the start of the rally. He stated that many sacrificed their precious lives and soul for the independence of our country. The freedom we are enjoying is owned by these freedom fighters. He instructed the students to be disciplined and carry out their duties towards their family and also to the society. He flagged off the rally from our RVSCET campus at 9.30 a.m. The rally started from the college premises and marched towards Sulur Bus stop. They also recited slogans of peace and also they read the poems of 'Bharathiar' as a source of encouragement to the general public. Participants were carrying pluck cards to commemorate our 75th Independence Day. Free flag were distributed to the public across the road. After the rally students were given refreshments and they were appreciated by our Principal, Faculty Members and NSS Coordinator for their involvement in this rally.

INDEPENDENCE DAY CELEBRATION WITH DAILY WAGES PEOPLES

Name of the Event	: Independence Day Celebration
Date	: 15.08.2022
Place of Event	: Peruntholuvu near Tirupur
No. of Students Participated	: 24

The NSS team of RVSCET celebrated the 75th Independence Day on 15.08.2022 in a rural area. We chose a village Peruntholuvu near Tirupur and celebrated 75th Independence Day with the people of this impoverished village who are the migrants from the interior villages of Karur district, Tamilnadu. Their life has been helpless as they struggle to get even the meagre amount to get their daily meals. To overcome their poverty and the necessity of their survival, an awareness speech was given to those people about the importance of their children's education. To make them happy, our twenty three members of NSS volunteer team prepared delicious food and served for the inhabitants of this village which needed much attention from the outside world. We returned with heavy hearts, feelings for these under privileged citizens of India, but with the satisfaction of having celebrated a real Independence Day.

Environmental Awareness Rally

Name of the Event	: Environmental Awareness Rally
Date	: 07.09.2022
Place of Event	: Kannampalayam
No. of Students Participated	: 724

The NSS students conducted an environmental awareness programme on 07th September 2022. The programme was conducted in the Kannampalayam. The event kicked off with a graceful dance which moved on to depict the relationship between mother earth and humans. The choreography made the students aware about the consequences of the human actions in exploring the Earth's resources. Earth was correlated to a parent who forgives and continuous to provide irrespective of every cruel act the child has committed. The increase in pollution, dumping of wastes and overexploitation are major causes for natural disasters.

The students 724 promoted the awareness how the plastic wastes harm to the animals. Many animals like blue whale which is an endangered species. It reminds about the urgent need for protecting the environment. The NSS students also represented various animals using face paint, placards, and posters and showcased the harm done to animals. The outcome of the programme is to create the awareness and reminding us our responsibility to protect the and to create a world free of pollution.

Tree Plantation

Name of the Event	: Tree Plantation
Date	: 16.09.2022
Place of Event	: Sulur Lake
No. of Students Participated	: 28

Tree plantation might not be the total solution to climate change, but it surely helps create a greener and much healthier future. When you talk about tree plantation, it is not rocket science. All you need is an expert and a knowledgeable team to get things done at the right time. And that is what NSS team of the RVS College of Engineering and Technology can help with to plant the trees at Sulur Lake on 16th September 2022. **Nearly 28 students of NSS** team have actively participated in the event.

The aim of the program is to plant a total of 350 saplings on the Sulur Lake. One by one NSS volunteers started planting saplings. Students also have made some posters and banners on the importance of tree plantation. We pasted banners and posters in the area around the Sulur, so that the people read these and know the importance of tree plantation. After our goal of planting 350 saplings is achieved, we came back to college. The principal of our college gave the passionate speech on tree plantation. Finally the programme ended with the singing of the national anthem.

Joy of Giving – Visits to Old age home

Name of the Event	: Visits to Old age home
Date	: 20.10.2022
Place of Event	: Vallaravalli
No. of Students Participated	: 18

RVSCET NSS team made their visiting to an old age home and it can be an eye-opening experience. It can give our students a glimpse into the lives of the elderly and the challenges they face. Students got to know about an old age home, focusing on the atmosphere of the home, the daily activities of the residents, and our student's interactions with them.

As we entered the old age home, we were struck by the quiet and peaceful atmosphere. The residents went about their activities calmly, and there was a sense of serenity in the air. However, there was also a hint of melancholy, as if the residents were resigned to their fate of living in an old age home.

We observed the residents participating in various activities throughout the day. Some were playing games, while others were socializing with their peers. A group of residents was engaged in group exercises, which was heartening to see. It was evident that the staff at the home made an effort to keep the residents engaged and active.

We spent some time interacting with the residents and listening to their stories. They shared their experiences, both happy and sad, and it was humbling to hear them. Spending time with them made us realize the importance of valuing our elderly and the impact that a small gesture of kindness can have on their lives.

In conclusion, our visit to the old age home was an enriching experience. It made us appreciate the elderly and their contributions to society, and also made us aware of the challenges they face. We left the home with a sense of gratitude and respect for the residents and the staff who take care of them.

Pongal Celebration

Name of the Event	: Pongal Celebration
Date	: 15.01.2023
Place of Event	: Karattupalyam
No. of Students Participated	: 15

"The Greatness of a Culture can be found in its Festivals"

Pongal / Makara Sankranti is a festival day in the Hindu Calendar, in reference to the deity Suryan (Sun). It is observed each year in January. It marks the first day of Sun's transit into the Makara(Capricorn).Being a festival that celebrates the Solar Cycle, it usually falls on the same Gregorian date every year. The festival is celebrated across the country, with a distinct regional essence even though the forms are different but the purpose remains the same, marking the onset of the spring season.

The NSS team of RVSCET, celebrated Pongal on January 15, 2023. They had an amazing time marking the Pongal festivities, before they broke off for their Pongal vacations. Smartly dressed in colourful ethnic wear, are students they performed many enthralling songs and dances. As part of the celebration, 'Chakara Pongal' was prepared in clay pots and distributed to the Parents, Students, Teachers and Support Staff. The entire campus wore a festive look with colourful Rangoli, decorated Pongal pots, sugarcanes and other decorations enhancing the festival spirit. The celebration began with a Prayer, followed by a message, which reminded the children about the importance of the harvest festival. Various cultural programs, that included songs, dances and skit, depicted the significance of the Harvest Festival. The Highlight of the day was the bullock cart ride for children followed by indigenous games like marbles and breaking the pot.

Tree plantation

Name of the Event	: Tree plantation
Date	: 26.01.2023
Place of Event	: Kannampalayam
No. of Students Participated	: 21

Tree plantation might not be the total solution to climate change, but it surely helps create a greener and much healthier future. When you talk about tree plantation, it is not rocket science. All you need is an expert and a knowledgeable team to get things don't at the right time. And that is what NSS team of the RVS College of Engineering and Technology can help with to plant the trees at Kannampalayam on 26th January 2023. **Nearly 21 students of NSS** team have actively participated in the event.

The aim of the program is to plant a total of 350 saplings on the Kannampalayam. One by one NSS volunteers started planting saplings. Students also have made some posters and banners on the importance of tree plantation. We pasted banners and posters in the area around the Kannampalayam, so that the people read these and know the importance of tree plantation. After our goal of planting 350 saplings is achieved, we came back to college. The principal of our college gave the passionate speech on tree plantation. Finally the programme ended with the singing of the national anthem.

Plastic Awareness Rally

Name of the Event	: Plastic Awareness Rally
Date	: 25.02.2023
Place of Event	: Ranganathapuram
No. of Students Participated	: 15

The "Go Green" initiative is nothing new to RVSCET Coimbatore. The Government of Tamil Nadu announced a ban on "one time use and throw away plastics", with effect from 01.01.2019. But still people use the disposable plastics, without a concern for our future generation.

So, in order to spread awareness amongst the public to reduce and replace plastic, a RALLY was organized by the NSS team of RVSCET on 25th February 2023 at Ranganathapuram. Nearly 500 students and 25 staff members of RVS college of Engineering and Technology participated in the rally.

The RALLY was inaugurated by the Principal of the college by waving a green flag and then distributed cloth bags to the students which was designed and made by our students, to insist on bio-degradable and reusable substitutes for plastic. The students participated in the RALLY by carrying the cloth bags.

Sintex tank donation to Government School

Name of the Event	: Sintex tank donation to Govt. School
Date	: 02.04.2023
Place of Event	: Kondayampalayam
No. of Students Participated	: 09

NSS team of RVSCET donated Sintex tank to the Government school at Kondayampalayam. With this new water tank, life in school will be more fun and enjoyable. There will be enough water for drinking and many pupils will love attending school on daily basis. The hand washing facility will help to keep high level hygiene in school, which will reduce cases of stomach problems and increase concentration in class. The students and the teachers of the school were very much thankful to the NSS team and RVSCET. The take home message from this is the please donate what you can today and protect children's health and education with school water tanks and access to clean water.

Donation of Water doctor

Name of the Event	: Donation of Water doctor
Date	: 08.04.2023
Place of Event	: Erode
No. of Students Participated	: 9

Some of the negative effects of not drinking enough water are daytime fatigue, lethargy and headaches. This can greatly impact students' performance in school. Students who don't drink enough water also get tired very easily and may feel drowsy, which can affect their concentration level. So, Our NSS team from RVSCET has donated the Water doctor to the school at Erode on 08th April 2023 in-order to provide the clean water to the students to make their life happy without any hassles.

Plastic Awareness and Collecting

Name of the Event	: Plastic Awareness and Collecting
Date	: 11.04.2023
Place of Event	: Tammampari
No. of Students Participated	: 17

Plastic pollution is a huge environment and health issues as it harms us in more than one way such as it clogs drains, causes visual pollution and proves fatal for stray animals. So with "Beat Plastic Pollution", our NSS Team started to create the awareness about the impact of plastic over environment and explore sustainable alternatives and urgently reduce the production and use of single-use plastic that pollutes oceans, damages marine life and threatens human health.

Under this campaign, our NSS team were going door to door to collect plastic waste from residential areas, commercial shops, industries, road sides etc. and the collected Plastic Waste are being sent to the Municipality, Sulur. They are also educating people on the use of paper or fabric (Cotton or Jute) bags instead of plastic bags which creates many health and environment hazards. As the main motive of the "Plastic Free Cleanliness Drive" is to seize the plastic waste from the adjoining areas of Tammampari, so defaulters were also penalized during the campaign. To make the drive more effective and to spread the message "No more Plastic Bags" to the maximum people, a rally was organized under the "Plastic Free Cleanliness Drive" at Tammampari. NSS team got great appreciation from the public and the government officials for such a great events.

Siddha Medical Camp along with UBA

Name of the Event	: Siddha Medical camp
Date	: 12.04.2023
Place of Event	: Tammampari
No. of Students Participated	: 17

The NSS team of RVSCET along with UBA organized Siddha medical camp on 12th April 2023 at Timmampari which includes the distribution of siddha medicines to the patients. The health checkup camp was inaugurated by the Principal of the college and doctors from the RVS siddha collage were actively participated in the camp. The Inaugural programme was followed by registration and screening and personal consultation of the public. About 200 people utilized the benefits of the camp. Most of the complaints were related to low back pain, skin diseases, gastrointestinal problems, headache, menstrual irregularities, metabolic disorders and neurological disorders.

The patients and coordinators of the camp expressed their gratitude to the institution, doctors and students for their service. The coordinators of the camp requested the organizers to conduct more such camp in the future.
